INTRODUCTION

产品概述

单体岛柜适用于陈列冷冻食品、冰淇淋、预包装新鲜食品及生肉类。柜体大容量，高展示玻璃，提升营销工作效率，充分利用空间，突出展示产品。与端头相结合，更能形成极具展示效果的环岛式展示平台，是商品促销的理想展示平台。

Refrigerated Island for Frozen Food, Ice-cream, Pre-packed Fresh Food and Poultry. Besides being multipurpose, the DAWN also features a remarkable load capacity with wide shock-proof insulated glazing that enhances product display. By installing the cases back-to-back, Islands of great display capacity can be further enhanced by the use of head case(s), particularly recommended for special promotions in the aisle areas.
